## High Prairie Elementary Principal's Message

Hello Thunderbird Families,

As we reach the end of another incredible school year, I want to take a moment to thank all of our families for their continued support. We are so grateful for the families that have supported our fundraisers, attended our events and volunteered their time. This year has been filled with memorable moments and it's all thanks to the dedication and hard work of our students, the unwavering support of our parents and the commitment of our outstanding staff!

As we end out the year we will be focusing on the growth that every student has shown over this school year. Whether academically, socially or personally we have all grown this school year and we will be encouraging students to acknowledge and celebrate their, and their peers' personal growth. We will also talk about how to maintain our growth and set new goals going forward into next school year.

We have several exciting end-of-the-year celebrations planned, and I encourage you to watch our Facebook and check your child's agenda for more information, as I encourage our families to participate and enjoy these special occasions. These events are not only a time to celebrate our accomplishments but also an opportunity to come together as a community and strengthen the bonds that make our school so special.

I would like to express my gratitude to our students, families, staff and community for all of your support, kindness and and collaboration throughout my time at High Prairie Elementary. It has been a privilege to be part of this incredible school community and I will carry many memories with me as I enter my next chapter as Principal at E.W. Pratt. While I am very sad not to see all of our Thunderbirds every day, I am excited to know in a few short years our paths will meet again as Chargers. I want to wish all of our families a safe and happy summer. May this time be filled with relaxation, joy and memorable experiences with family and friends.

In Kindness,  
Lyndsay Fleming  
Principal

## Thank you to all the families that have completed their Re-Registration!

It is very important to re-register your child as this lets us know your information is up to date and how many students are returning next year. These numbers let us know how many teachers and support staff need to be hired and in place to make sure all students are successful.

**Only students that have been re-registered will be assigned a class for next year and will receive their class assignment at the end of June.**

### Congratulations to our Re-Registration Winners!

# Quality Learning

## Quality Partnerships

### Outcomes:

- Explicit Instruction in Literacy & Numeracy - Indigenous Education Programming

*How is HPE achieving this outcome?*

- Our monthly student awards are based on the 7 Grandfather Teachings.
- Each year HPE recognizes Orange Shirt Day and National Truth and Reconciliation Day in September.
- This year we had several land-based learning experiences including
  - Spruce Tip Harvesting
  - Birch Bark Harvesting
  - Mock Trapline
  - Fishing Demonstration
  - Skinning Presentation
  - Teepee Teachings
  - Smudging protocols
- This year we had author Christy Jordan-Fenton visit our school.
- In May we recognized MMIWG
- We piloted a new Cree Syllabics program with Myra Loonskin from Little Red River Cree Nation.
- In June we will be celebrating Indigenous Peoples Day with a variety of activities provided by knowledge keepers and elders.
