## High Prairie Elementary

### Principal's Message

Hello Thunderbird Families,

Happy New Year, and welcome to 2026 at HPE! I hope that everyone had a lovely Winter Break, and came back rested, recharged and ready to learn! The start of a new calendar year is always an exciting time. Our staff came back rested and enthusiastic about continuing to support our Thunderbirds in their growth and learning.

As you know, we've had an incredible amount of snow this year! We are working with our maintenance department to keep the snow cleared and create paths in the school yard. We are aware of the issues that the snow piles have created for pick up and drop off. We would like to remind families that there are no cars allowed in the bus loop from 8:15am-8:35am and 3:00pm to 3:35pm. We have cleared a path to the street at the cross walk and are encouraging students and families to please cross the bus loop at that point for everyone's safety. Thank you for your continued support in ensuring the safety of all our students.

This month we are focusing on "sportsmanship". We will be working with students to understand the importance of sportsmanship in and out of games and sports. We will be focusing on having a positive attitude, giving your best effort, supporting others and always trying your hardest. Those who show understanding of fair play follow the rules of the game, help other players, take pride in winning but don't rub it in and accept a loss without making excuses. We will work on understanding the importance or respect for others and self-control.

The second half of the school year is packed with opportunities for exploration, creativity and achievement. From upcoming events to engaging classroom activities, there is so much to look forward to. We are grateful for your continued support in making our school community amazing. Here's to a bright and successful 2026!

In Kindness,  
Lyndsay Fleming  
Principal

# What's Happening at HPE

## Spring Concert Update

Grade 4-6 will be performing  
Date: April 22

## National Rubber Ducky Day

Our Student Leadership Team is asking students to dress in yellow, blue or duck themed clothes to recognize National Rubber Ducky Day on January 13!

If you'd like your child to have the option of going outside even when it is below -25 or rainy please ask for a form.

## Playground Committee!

There will be a meeting on Saturday January 17 at 10am at Fresh Inspirations! The committee will be discussing fundraising and grant proposals.

## ~Reminder~

Please do not drive in the bus lane during pick up and drop off

## Scent Sensitivities

Some of our staff and students are allergic to perfume. Please avoid wearing scents at school.

HIGH PRAIRIE ELEMENTARY

# HIGH PRAIRIE SCHOOL DIVISION BOARD PRIORITIES

**A. PRIORITIES**  
**B. OUTCOMES**  
**C. STRATEGIES**

hpsd.ca

# Quality Learning

## Quality Partnerships

### Outcomes:

- Meaningful Stakeholder Engagement - Student Engagement

*How is HPE achieving these outcomes?*

- By working together with students, parents and the community we are able to create a vibrant, engaging and supportive learning environment.
- Wellness clubs provide diverse opportunities for students to explore learning in different areas including sports, leadership, arts and STEM.
- Students are provided opportunities to work with the lodge, legion, CRC and other community programs.
- Students are able to swim and/or skate during the school year to a maximum of 6 trips.
- Each grade participates in at least one field trip during the school year. These include trips to the theatre in town, the live theatre in GP, legislature in Edmonton and skiing.
- Each month a different grade runs the monthly assembly.
- Our Student Leadership team creates our monthly House Colours and Spirit Days.
- Student success is recognized during our monthly student lead assemblies and on the announcements.
- Grade 4-6 students are provided with multiple opportunities to show leadership and mentor younger students through our recess leaders program, intramurals, wellness clubs, house colours and reading buddies.
- We are currently part of a literacy and numeracy pilot project which focuses on hands on learning for all grades.
- Our teachers provide quality lessons and exciting learning opportunities throughout students' day to ignite their passion for learning.
- Our teachers use technology such as educational apps, games and online platforms.
- We have monthly visits from Elders on various learning topics including our character education virtues.
- Our Reading Challenge is creating a positive competition that is encouraging students to read.

# We're Listening!

We want to hear from you! If you have any questions or thoughts about what's happening at the school, please write them down below and give this page back to the school or email us at [hpe@hpsd.ca](mailto:hpe@hpsd.ca). Thank you!
